

We are Röhlig. Since 1852.

For 160 years, Röhlig has mastered the growing complexity of global freight forwarding. By combining the professional competence of a large enterprise with a family-owned company's virtues and values, we have successfully asserted ourselves on the logistics market. Based on our global network, we create tailor-made solutions to improve our clients' logistics processes.

For our branch in Hamburg (other location possible) we are currently looking for a

GLOBAL TENDER ANALYST

Responsibilities:

- Analyze RFQ's before completing, online registration and other tender related questionnaires
- Work on tender opportunities approved by tender board
- Facilitating pre-launch tender preparation
- Facilitating necessary input from multiple global offices
- Provide expert support in Excel and other MS Office tools for advice to ensure high quality, competitive and consistent delivery on RFQ's
- Coordinate the Tender Report together with the Global Tender Manager
- Business analysis of tender response to suit market challenges and client strategy
- Support the Global RFQ's and Tenders Manager in completion of all RFQ's and department related tasks
- Maintain a rate intelligence system for monitoring winning & losing rates

Requirements:

- University degree in the field of business sciences, economics or logistics
- First experience in Freight Forwarding and Tender Management is an advantage
- High competence in use of MS Office suite with focus on Excel and Access; and the capacity to learn new packages and tools
- Excellent analytical skills, attention to detail as well as the ability to multitask and prioritize
- Independent working style and able to use virtual means of communication
- High sense of ownership and accountability
- Very good English language skills
