

We are Röhlig. Since 1852.

For 160 years, Röhlig has mastered the growing complexity of global freight forwarding. By combining the professional competence of a large enterprise with a family-owned company's virtues and values, we have successfully asserted ourselves on the logistics market. Based on our global network, we create tailor-made solutions to improve our clients' logistics processes.

For our branch in Bremen we are currently looking for a

(JUNIOR) REPORTING SPECIALIST

Responsibilities:

- Report generation on a monthly basis
- Supporting the establishment of a reporting system with SAP
- Data validation and analysis
- Supporting the implementation of new controlling instruments in our future system landscape
- Administrative tasks: Data Upload to SAP to guarantee adequate reporting, maintaining SharePoint sites, maintaining ticket system, generating SOPs and relating documentation

Requirements:

- University degree in economics, management or logistics or apprenticeship with practical experience in forwarding/logistics or commercial department over several years
- Excellent analytical and conceptual skills and a strong ability to understand complex system landscape configuration
- Personal initiative, organizational strength and strong communications skills
- Very good English language skills, German language skills appreciated

What you can expect:

Working at Röhlig means to live internationality: Every day staff members around the world cooperate on developing logistics solutions for their customers. Smart minds with drive encounter numerous opportunities to play a vital role in this process. Flat hierarchies, a pleasant and friendly work environment, considerable opportunities for personal development and long-term career planning provide the basis for your success.
