You are tired of waiting and want to face some real challenges right now?

JOIN US AND WE WILL GIVE YOU THE OPPORTUNITY!

We are currently looking for interns to support our German team in the field of Business Development who will be responsible for the following tasks:

- Working on Sales and Marketing strategies
- Occasional communication with German clients
- Approaching companies to gain them as new costumers
- Looking up, calling and recruiting new employees
- Market research and analysis
- Administrative tasks

Key Requirements

- Knowledge of German Language
- Dynamic proactive person with goal orientation
- Result driven and entrepreneurial characteristics
- Analytical thinking
- Good knowledge in Microsoft Office
- Driver's license
- Time flexible candidate

What we offer

Our employees have the courage, curiosity and conviction to see challenges where others only see problems. We will support your growth as an employee through individual development and structured career management.

You will join a dynamic, fast-paced work environment in cooperation with our international team (English and German speaking), in which you will have big potential of self-realization.

Our company will provide you a notebook for working and personal purposes, a cellphone and salary.

If you are interested in this internship send your CV to Ms. Zimmermann at zimmermann@boomit.io. We are looking forward to your answer!
