Why Dräger?

Dräger is a company with life in its veins – from more than 13,000 employees. Without their enthusiasm, boldness and personality, we wouldn't be where we are today: a world leader in medical and safety technology.

We know how important every single employee is for our company. Therefore, we work to improve their lives, both on the job and after hours.

That's worth working for

Every life is unique. Protect, support and rescue lives: that's what we do at Dräger – day in and day out. Therefore, we are interested in you if you are looking to work for an organisation that does something more, something that's truly worth working for.

Welcome to the world of Dräger

Dräger has more than 13,000 employees worldwide and is present in over 190 countries around the globe. The Group maintains sales and service organisations in over 50 countries.
