let’s talk business 4.0!”***

Gábor, Business Development Manager

UBiMAX
wear IT at work

Are you ready? Prove it and join our Business Development team today under: career@ubimax.com #UbimaxAcademy

Intern in Business Development (m/f) Bremen

Minimum 3 Months

Ubimax develops industrial Wearable Computing and Augmented Reality solutions, which enable customers to optimize their business processes along their entire value chain. The core of our offering is Ubimax Frontline, the world's first fully integrated Wearable Computing Platform. Our innovative Smart Glass solutions are already deployed successfully by 30% of the DAX 30 companies. We are a fast-growing company and looking for individuals who share our passion for Wearables and Augmented Reality.

Your Responsibilities

- > Customer acquisition and customer care
- > Develop and expand a defined business area
- > Strategic and operational customer consulting within the framework of Wearable Computing
- > Project implementation with project manager and team

Your Profile

- > Advanced or completed degree or educational background with technical or economic focus
- > Professional work experience in business development and sales or corporate consultancy
- > Confident and competent customer interaction
- > Strong technical understanding (ideally in the area of Wearable Computing)
- > Ideally, experience in solution-oriented project business
- > Advanced Microsoft Office knowledge
- > Proficiency in German and English

We offer

- > Innovative, diverse and interdisciplinary fields
- > Freedom for self-reliant work and development of own ideas
- > Flexible working hours and flat hierarchies
- > Becoming part of an international team of AR and Wearable Computing experts
- > Optimal working conditions, utilizing state-of-the-art tools and devices
- > "Silicon Valley style" open space office on 1500 m² at Bremer Europahafen
