# Intern in PR / Marketing (m/f) Bremen

## Minimum 3 Months

Ubimax develops industrial Wearable Computing and Augmented Reality solutions, which enable customers to optimize their business processes along their entire value chain. The core of our offering is Ubimax Frontline, the world's first fully integrated Wearable Computing Platform. Our innovative Smart Glass solutions are already deployed successfully by 30% of the DAX 30 companies. We are a fast-growing company and looking for individuals who share our passion for Wearables and Augmented Reality.

### Your Responsibilities

- > Drive the development of our communication strategy and public image
- > Topic areas: Social media (B2C / B2B), classic PR work, B2B marketing, compilation of press releases and expert articles, content management, image and video processing, sales and acquisition

### Your Profile

- > Advanced or completed studies of journalism, media/communication sciences, sociology, business administration or comparable subject area with excellent achievements
- > Preliminary experience in fields mentioned above, or related
- > Advanced Microsoft Office skills
- > Proficiency in German and English
- > High personal standards
- > Driven by creativity in innovation
- > Strong commitment to achievement of milestones
- > Self-reliant, team-oriented work ethic
- > Last but not least, a sense of humor!

### We offer

- > Innovative, diverse and interdisciplinary fields
- > Freedom for self-reliant work and development of own ideas
- > Flexible working hours and flat hierarchies
- > Becoming part of an international team of AR and Wearable Computing experts
- > Optimal working conditions, utilizing state-of-the-art tools and devices
- > "Silicon Valley style" open space office on 1500 m<sup>2</sup> at Bremer Europahafen

### Convinced?
