

***“Are you an IT girl, too?”***

Miriam, Intern Software Development

**UBiMAX**  
wear IT at work

You want to code the latest Wearable (Computing) trends instead of just follow them? Apply for an internship and let Ubimax be your runway! Apply now to [career@ubimax.com](mailto:career@ubimax.com) #UbimaxAcademy

# Intern in Software Development (m/f) Bremen

## Minimum 3 Months

Ubimax develops industrial Wearable Computing and Augmented Reality solutions, which enable customers to optimize their business processes along their entire value chain. The core of our offering is Ubimax Frontline, the world's first fully integrated Wearable Computing Platform. Our innovative Smart Glass solutions are already deployed successfully by 30% of the DAX 30 companies. We are a fast-growing company and looking for individuals who share our passion for Wearables and Augmented Reality.

### Your Responsibilities

- > As part of our product development team, you actively work on the expansion of our AR platform Ubimax Frontline
- > According to your abilities, you have the opportunity to work in the field of web, frontend, backend, Unity/AR, QS and Data Science

### Your Profile

- > Ideally, you already have experience in software development
- > You are keen to learn about new technologies, frameworks and hardware
- > You familiarize yourself with new topics independently
- > Software development is more to you than just programming

### We offer

- > Becoming part of an international team of AR and Wearable Computing experts
- > Flexible working hours and flat hierarchies
- > Freedom for self-directed work and development of own ideas
- > As international team, we communicate in English and German
- > "Silicon Valley Style" open space office at Bremer Europahafen
- > Coffee and hot chocolate, as much as you wish

### Convinced?

Please send your application consisting of a personal cover letter, CV, and certificates including relevant qualifications to [career@ubimax.com](mailto:career@ubimax.com). Please contact us for further questions: HR-Team | [career@ubimax.com](mailto:career@ubimax.com)
