## IT PROJECT MANAGER

**LOCATION:** BREMEN  
**JOB TYPE:** PERMANENT  
**SALARY:** COMPETITIVE

### OVERVIEW:

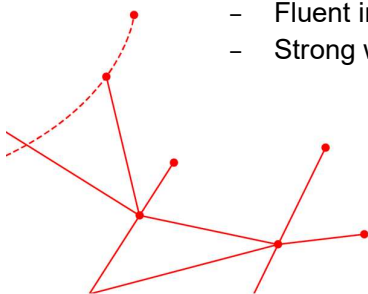

Sportradar Virtual Gaming GmbH (SRVG) is the developer of the latest generation of virtual sports betting services. Amongst other products, SRVG develops and runs the Virtual Football League for various sports betting companies worldwide. To strengthen our experienced teams, we are seeking applications for an IT Project Manager.

### THE CHALLENGE:

- Coordinate internal resources and third parties for the flawless execution of projects
- Ensure that projects are delivered on-time, within scope and within budget
- Support the creation of project scopes and objectives, involving all relevant stakeholders
- Ensure resource availability and allocation
- Develop detailed project plans and track progress
- Work on multiple projects
- Measure project performance using appropriate systems, tools and techniques
- Report and escalate to management as needed
- Project reporting to the line manager
- Manage the relationship with the product owners and all stakeholders
- Educate teams in agile practices

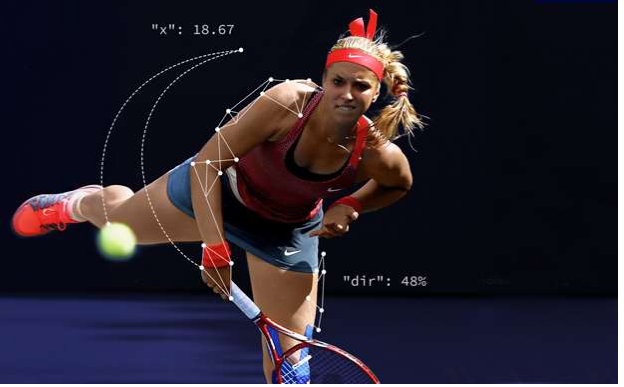

### YOUR PROFILE:

- Three or more years project management experience in IT
- PMP certification considered as a plus
- Profession on defining, analyzing and improvement of processes
- Experience in agile development environments
- Good communications skills, with customer, teams and stakeholders
- Critical thinking and problem solving skills
- Knowledge of project-related software tools like JIRA and MS Project
- Fluent in English, good in German language
- Strong working knowledge of Microsoft Office

## OUR OFFER:

- Competitive, performance related salary
- Company pension and health care management
- Good training/learning opportunities (coordinated individually with the employees)
- Corporate fitness activities (e.g. football, table soccer) and a corporate fitness program
- Work with state-of-the-art equipment to solve our technological challenges
- A challenging but rewarding and fun environment with exciting tasks
- Collaborate and support colleagues from all over the world
- The opportunity to work and develop within an inspiring and fast growing company

## SPORTRADAR

Sportradar is a global leader in understanding and leveraging the power of sports data and digital content for its clients around the world. We provide cutting-edge solutions and services to media companies, bookmakers, sports federations and state authorities.

We are a truly international business employing over 2,000 people in more than 30 locations around the world. Our rapid growth has been driven by technological innovation alongside an understanding of our clients' business needs. It is our commitment to excellent service, quality and reliability that makes us the trusted partner of more than 1,000 companies in over 100 countries.

We occupy a unique position at the intersection of the sports, media and betting industries. This creates an exciting and fast-moving working environment that rewards creative thinking and hard work. We are passionate about what we do, and we care passionately about our people.

If you think you're up to the challenge, come and help us to grow, innovate and develop!

**Make the team: Join us and shape your future as well as ours!**
