Linux System Administrator

LOCATION: BREMEN
JOB TYPE: PERMANENT
SALARY: COMPETITIVE

OVERVIEW:

Sportradar Virtual Gaming GmbH (SRVG) is the developer of the latest generation of virtual sports betting services. Amongst other products, SRVG develops and runs the Virtual Football League for various sports betting companies worldwide. To strengthen our experienced teams, we are seeking applications for an IT Project Manager.

1. THE CHALLENGE

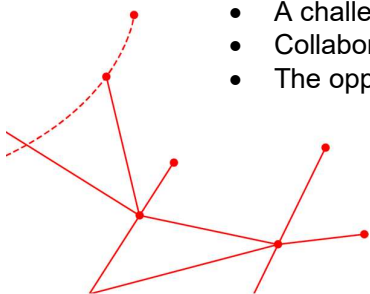

- Being part of our international Sysadmin Team
- Administration and monitoring of our Linux based server infrastructure
- Planning, procurement, installation, configuration and operation of a complex system environment

2. YOUR PROFILE

- At least 2 years working experience as a Linux system administrator
- Excellent experience with virtualization (OpenStack, Ganeti, or similar)
- Team spirit and communication skills
- Fluent English
- Desirable additional qualifications
 - Experience with configuration management frameworks (Puppet, Jenkins)
 - Experience with Python and other programming languages

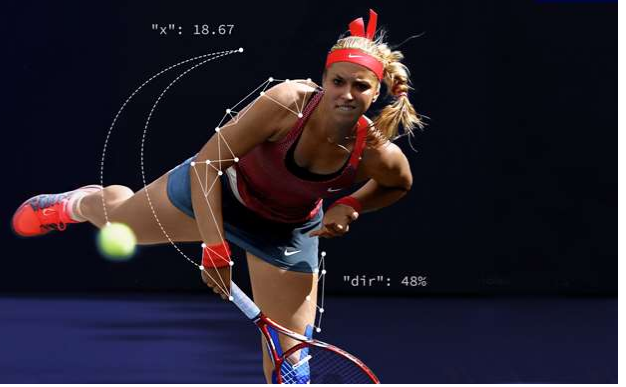

3. OUR OFFER

- Competitive, performance related salary
- Company pension and health care management
- Good training/learning opportunities (coordinated individually with the employees)
- Corporate fitness activities (e.g. football, table soccer, darts) and a special corporate fitness program
- Work with state-of-the-art equipment to solve our technological challenges
- A challenging but rewarding and fun environment with exciting tasks
- Collaborate and support colleagues from all over the world
- The opportunity to work and develop within an inspiring and fast growing company
