## WEB FRONTEND DEVELOPER

**LOCATION:** BREMEN  
**JOB TYPE:** PERMANENT  
**SALARY:** COMPETITIVE

### OVERVIEW:

Sportradar Virtual Gaming GmbH (SRVG) is the developer of the latest generation of virtual sports betting services. Amongst other products, SRVG develops and runs the Virtual Football League for various sports betting companies worldwide. To strengthen our experienced teams, we are seeking applications for an IT Project Manager.

### THE CHALLENGE:

- Participating in a team environment to develop new web-based applications
- Maintaining existing platforms including troubleshooting bugs and developing new features
- Implementing technical specifications

### YOUR PROFILE:

- Excellent experience in frontend technologies JavaScript, HTML5 and CSS3
- Experience with one or more JS frameworks such as TypeScript, React or jQuery
- Strong understanding of Object-oriented programming
- Experience working in MVC environments
- Knowledge of a CSS preprocessor like Sass or Less is a plus
- Experience in realization of templates in responsive design and for mobile devices
- Good understanding of multi-platform/multi-browser compatibility
- Fluent in English is a must (written and spoken)
- Willingness to learn new technologies

#### OUR OFFER:

- Competitive, performance related salary
- Company pension and health care management
- Good training/learning opportunities (coordinated individually with the employees)
- Corporate fitness activities (e.g. football, table soccer) and a corporate fitness program
- Work with state-of-the-art equipment to solve our technological challenges
- A challenging but rewarding and fun environment with exciting tasks
- Collaborate and support colleagues from all over the world
- The opportunity to work and develop within an inspiring and fast growing company

#### SPORTRADAR

Sportradar is a global leader in understanding and leveraging the power of sports data and digital content for its clients around the world. We provide cutting-edge solutions and services to media companies, bookmakers, sports federations and state authorities.

We are a truly international business employing over 2,000 people in more than 30 locations around the world. Our rapid growth has been driven by technological innovation alongside an understanding of our clients' business needs. It is our commitment to excellent service, quality and reliability that makes us the trusted partner of more than 1,000 companies in over 100 countries.

We occupy a unique position at the intersection of the sports, media and betting industries. This creates an exciting and fast-moving working environment that rewards creative thinking and hard work. We are passionate about what we do, and we care passionately about our people.

If you think you're up to the challenge, come and help us to grow, innovate and develop!

**Make the team: Join us and shape your future as well as ours!**
